WATTS, Barry

My name is Barry Watts. I'm re-standing for the position of Councillor at the upcoming Shire of Brookton Election. During my 2 years as your Councilor I've had the opportunity to meet many electors across the district to discuss a wide variety of local issues; raising concerns at Council Briefing Forums and or with the CEO directly, resulting in positive outcomes for those concerned. I'm delighted to have been able to have the support of enough of my fellow Councilors to see my Elected Members Motion passed, which resulted in a Town Hall Meeting providing Electors with an opportunity to provide input into the DRAFT RESERVE MANAGEMENT PLAN. Today, we're seeing the outcomes of that meeting as Council actions the plan that the community in general we're much happier with having had their say.
